Welcome

- **Dear Homeowner:**

Congratulations on the purchase of your new home. The purchase of a new home is probably the largest, most important single investment you will ever make and we wish you many years of enjoyment.

This limited warranty affords you protection for many years of home ownership. During the first year your builder provides the warranty coverage described in this booklet. From then, until expiry, your warranty protects your home against major structural defects as defined in this agreement. The Program Warrantor stands behind the Builder and protects you in the event your Builder fails to perform.

Your warranty does contain certain exclusions and limitations. It is just as important for you to understand these exclusions and limitations as it is for you to understand your coverage.

Take the time to read this booklet in its entirety. The booklet describes the warrantor's responsibilities to you and your responsibility to your home. It is vital that homeowners and condominium associations perform required maintenance. Without such maintenance this warranty will be voided. Your Builder or the LRWP staff will be able to answer any questions that you may have concerning the warranty or any specific construction standards and how they apply to your home.

Our new online "Home Owner Help Request" located at www.luxrwp.com is the best way to address any immediate concerns or questions about your warranty.

Introduction

- **YOU SHOULD READ THIS AGREEMENT IN ITS ENTIRETY IN ORDER TO UNDERSTAND THE PROTECTION IT AFFORDS, THE EXCLUSIONS APPLICABLE TO IT, WARRANTY STANDARDS WHICH WILL GOVERN ITS INTERPRETATION AND OPERATION, AND A PURCHASER'S RESPONSIBILITIES.**

Lux Residential Warranty Program Inc. (LRWP) is the warrantor of this Agreement. Section A describes the protection which this program affords a Purchaser; Section B defines the terms used in this Agreement and sets forth the exclusions from the program, Section C sets forth warranty standards which govern the interpretation and operation of the program. Section D refers specifically to any endorsements and addendums to the Program.

It should be understood by a Purchaser that every newly constructed Home needs maintenance in order to prolong it's life. It is a Purchaser's responsibility, not the Builder's or LRWP to maintain a Home. Regular maintenance includes, but is not limited to, such items as preserving soil drainage conditions, caulking, cleaning, resealing or repainting of finished surfaces as necessary, routine maintenance of mechanical systems, etc.

Any damage or defect caused or worsened by neglect, abnormal use, or improper maintenance and operation of a Home, or the surrounding lot, will not be covered by this Agreement.
